How it works

This card is issued to each student and corresponds to one level. The student keeps it at all times and presents it to their mentor or teacher at every recitation.

It sets an annual objective, broken down into surahs, themselves divided into weekly objectives. Each weekly objective corresponds to one box:

- ♦ objective met — the mentor or teacher validates the recitation by writing the date in the box;
- ♦ objective not met — the box stays blank, a new deadline for recitation is agreed with the student.

The end-of-line boxes allow intermediate validations, to consolidate what has been learnt.

The card is read first down the right-hand half, column by column, then down the left-hand half, line by line, from top to bottom.
