How it works

This card is issued to each student and corresponds to one level. The student keeps it at all times and presents it to their mentor or teacher at every recitation.

It sets an annual objective of five hizb. Each hizb is divided into four quarters of two eighths; each eighth corresponds to one box:

- ♦ objective met — the mentor or teacher validates the recitation by writing the date in the box;
- ♦ objective not met — the box stays blank, a new deadline for recitation is agreed with the student;
- ♦ each hizb ends with two full recitations: the half hizb, then the whole hizb.

The end-of-line boxes allow intermediate validations, to consolidate what has been learnt.

Each line is one hizb: it is read from right to left, across both pages; then move down to the next line.
